THE FERRARA'S are the oldest active, grape-growing, wine-making family in San Diego County, supplying premium quality wines to California since 1932. Because of this uniqueness, the State of California designated the Winery a State Historical Point of Interest in 1971.

OUR TASTING ROOM provides a wide selection of premium wines as well as delicious grape juice, wine marinade and wine vinegar. Open 10:00 a.m. to 5:00 p.m. Monday thru Sunday.
